ELMER J. SNOW.

FOR AUDITOR GENERAL,

FOR SHERIFF,
G. R. BLACK, of Gaines.

Democrats should not be deluded into voting for Swallow on the Prohibition ticket. There is a fighting chance, if the Democrats of the Keystone State will but [illegible] can be gained by voting for the nominees of the Prohibitionists.

The platform of this party is undemocratic. It is the exact reverse of every [illegible] Democratic principle. Democrats, remember this before throwing your vote away. We would be glad to have the assistance of [illegible] Republicans of the State, who are completely disgusted with the corrupt machine ride of the Republican bosses, but if they cast their ballots for the Prohibitionists, they will render us material assistance. All this will amount to nothing, however, if Democrats fail to do their duty on November 2nd.

The St. Louis *Post-Dispatch* thinks President Mckinley [illegible] the Greater New York corruption and the Union Pacific crookedness before he does anything more for the country.

They do all sorts of [illegible] city the other day, secured a [illegible] for $162 against one of the jurors in the Luetgert murder case, and attached the juror's fees.

Judge Archbald, of Lackawanna county, has decided the Act of 1895, which allowed [illegible] attend the graded schools nearest them [illegible] is special legislation.

[illegible] carnival of debauchery at Harrisburg, in connection with the building of the State capitol and otherwise in comparison with which the wrongs already on record were as mere child's play.

It is difficult for honest Democrats to understand, how Republicans can condemn the practice of bossing the State [illegible] same time. Yet this is apparently what many Republicans are doing throughout [illegible]

Accepted as the best [illegible] figures on the corn crop of 1897, the farmers of the United States have [illegible] added by any means in raising as large a crop as last year, the total [illegible] being about 2,200,000,000 bushels. This year's crop is estimated at 1,262,466,344 bushels.

Every honest man who has had any connection with the new State [illegible] commission has deserted it in disgust. [illegible] are [illegible] the [illegible] selection of Beaver and McCauley will perpetuate that control. Victory for Brown and Ritter will end it.

Over 367,000 voters have been registered in Greater New York. This means practically a vote of between 325,000 and 330,000. The Springfield, Mass., *Republican* asserts that this will be a larger vote by over 124,000 than the entire State of Massachusetts ever cast, and the Bay State is far from being a small one.

The withdrawal of Swallow and Thompson with counsel to [illegible] ing to turn in for Brown and Ritter, would be sensible procedure, in the interest of a consolidation of the reform forces. There is no way in which they could give more convincing proof of their loyalty to the cause of reform, and the [illegible] ening of the Quay machine.

Large and enthusiastic gatherings have greeted the Democratic candidates at the points they have visited in the State [illegible] The [illegible] rose anticipations of a Republican walkover. The people are aroused on the subject of the Treasury steals and there is more than a fighting chance of Democratic victory.

It has been many years since so much was at stake in a State election in Pennsylvania as this fall. A Democratic victory will give the people control of the two most important departments of the government, those of the State Treasurer [illegible] parliamentary fraud and [illegible] can either be encouraged or checked, according as they are in the [illegible] pledged to [illegible] or men pledged to the people.

Is referring to a habit, to which too many people are addicted. The *Farm* [illegible] following terse language: "The credit system is a blighting curse to a man on the farm as well as elsewhere. Making a specialty [illegible] bases him, eats out his substance in interest, and has a tendency to make him untruthful and dishonest. Credit hurts the farmer and everyone with whom he comes in contact."

The [illegible] of Swallow and [illegible] on the Prohibition [illegible] [illegible] a [illegible] combination [illegible] only [illegible] [illegible] [illegible]
